

Absolute Divine Right Monarchs

Ruler	Country	Use of Absolute Power	Memory Picture
 Louis XIV	France	1. did away w/Edict of Nantes 2. built palace of Versailles to show royal power 3. controls rigid class system – 3 estates	
 Peter the Great	Russia	-westernized Russia (made it more like W'ern Europe) ex. no beards	
 Frederick the Great	Prussia	-militarism in Prussia -started 7 Years War against Austria	

Reflection (on back):

If all 3 of these rulers have absolute power - then what does that mean they have in common?

If all 3 of these rulers rule by divine right - then what does that mean they have in common?
