

**Natural Law
or
Scientific Law?**

**Scientific
What goes up
must come
down?**

**Scientific
The earth
revolves
around the sun.**

**Natural
People are
happiest when
they are free.**

**Natural
The best
governments are
ones that listen to
the people.**

**Natural
People are by
nature greedy and
selfish and need to
be controlled.**

**Scientific
Blood circulates
throughout the
body.**
