

Sources of Information

2 types = primary & secondary

Primary = 1st-hand/was at event/eyewitness

Secondary = 2nd-hand/was not at event/not eyewitness

Be careful of Bias !

Bias = point of view/opinion

Decide which type of source each of the following is

Photograph

Diary Entry

Friend's story

Encyclopedia

Biography

Autobiography

Newspaper

Song about person

Letter

Textbook

How much bias would each have?
